

Phoenix Paramotor Display Team Presentation

Our sky – Your emotions

WHO ARE WE?

PHOENIX Paramotor Display Team is a group of talented paramotor pilots who create spectacular airshows, combining passion, precision, and innovation. Our performances are a unique blend of acrobatics, pyrotechnics, music, and light effects that captivate audiences at shows and training sessions.

With the experience and collaboration of our team, each display is a perfectly planned choreography, guaranteeing unforgettable emotions and inspiration.

TEAM LEADER

Paweł "LOJAK" Kozarzewski serves as our leader and coach. He is one of the most renowned paramotor pilots in the world, a multiple medalist in FAI I and FAI II competitions, and the first pilot in the world to fly inside a building. Over the past five years, he has served as the coach of Qatar's national team. For him, flying is an art that demands courage, determination, and the pursuit of perfection.

MANAGER

Piotr "Blichu Jr." Blicharz is the team's manager, responsible for every detail—from logistics to show coordination. As an architect by nature, he pays close attention to detail and precision, enabling him to seamlessly integrate all elements into a cohesive whole. His dedication and sense of responsibility ensure the team's reliability and professionalism, always ready to perform.

WHAT DO WE OFFER?

See How Passion for Aviation Transforms Into Art!!

The team performs in two showcase segments:

- **Daytime Shows:** Featuring smoke effects, colorful flares, and choreography synchronized with music.
- **Nighttime Shows:** Highlighted by spectacular LED lighting, choreography synchronized with music, and pyrotechnic effects.

Additionally, performances can be enhanced with a laser show produced by visbe.show.

OUR DEBUT

In November 2024, we made our debut at the Sand & Fun show in Saudi Arabia. This unforgettable experience captured the attention of both local and international audiences. The performance was the result of several months of intense effort by the entire Phoenix team.

WHY CHOOSE US?

Our mission is to inspire and amaze audiences worldwide by blending aviation expertise, technology, and art. Our performances are a unique fusion of visual effects, music, and choreography, delivering unforgettable emotions. With professionalism and experience, we are ready to collaborate at events anywhere in the world, inspiring younger generations to discover the magic of aviation. By choosing us, you choose passion, precision, and reliability.
